ELBIT SYSTEMS' US SUBSIDIARY EFW, AWARDED MARINE CORPS CONTRACT VALUED AT $70 MILLION

Haifa, 6 November 2005 - Elbit Systems Ltd. (NASDAQ:ESLT) reported today that EFW Inc, an Elbit Systems of America company, was awarded a contract from the US Marine Corps Systems Command in response to a compelling and urgent need for an operational capability. The program requires EFW's team to develop, design, integrate, test, produce and install equipment into a variety of USMC vehicles. The value of this order is approximately $70M and will be completed in FY06.

Tim Taylor, President & CEO of Elbit Systems of America stated that "We are honored and pleased to be able to assist in any way possible in order to protect our troops as they continue to prosecute the war on terrorism."

About EFW:

Based in Fort Worth, Texas, EFW Inc., an Elbit Systems of America company, is an established defense electronics supplier specializing in sophisticated hardware and software solutions for upgrade, integration and sustainment programs. EFW provides superior operational solutions for various land and airborne weapon platforms used by the US and allied military forces.

About Elbit Systems

Elbit Systems Ltd. is an international defense electronics company engaged in a wide range of defense-related programs throughout the world, in the areas of aerospace, land and naval systems, command, control, communications, computers, intelligence, surveillance and

reconnaissance ("C4ISR"), advanced electro-optic and space technologies. The company focuses on the upgrading of existing military platforms and developing new technologies for defense and homeland security applications.
